

GREATER AKRON HIGH SCHOOL PLAYERS REGISTRATION FORM

The Greater Akron Amateur Soccer Association will again directly register high school players for play in the league for the coming spring season. This service is provided in an effort to offer a place for these players to continue to develop their skills and to be in compliance with the current OHSAA rules regarding the number of players from the same school being registered on the same team. It is because of this rule that it is very difficult for community clubs to put together teams that are not in violation of this policy and thus many players are left out in their effort to continue to play.

Teams will be formed for both boys and girls that will play in the High School division of GAASA. Every effort will be made to include as many players as possible from the same high school together and to be in compliance with state rules. In the event that more than five players register from the same high school they will be divided up as equally as possible.

For Spring 2012 GAASA's goal is to form two divisions of U16 and U18 for boys and girls if possible, this is not guaranteed and divisions may be based on skill. Players will be placed in their age appropriate teams. Each U18 team will be allowed to roster *two U19* players as long as they are enrolled in high school during the season. Proof of enrollment will be required.

- Cost: \$70-includes: registration fees, referee fees, T-Shirt, and play-off fees (if the team qualifies).
